SUBJ: Interim Report Requirement Has Been Discontinued

News: The reporting requirement on submission of an Interim Report has been discontinued. Therefore the 2001 Cohort will not have to submit an Interim Report in November. The next required report due to the PT3 staff will be a Final Report and/or an Annual Report (if a no-cost extension is requested). This report will be due at the end of the project grant period (June 2004). More information on this report will be available in April, 2004.
